## **The Colour Of The Night** Robert Hollingworth

An expose of contemporary life seen from the perspective of an eleven - year - old boy. Shaun, a country boy, is orphaned after a bushfire and must now live in the city where he meets many lonely, mixed - up residents. Can his world of benign nature and theirs of dispirited culture, be reconciled It is a story of polarities: the country and the city; nature and culture; the material and the digital; the spirit and the flesh; lost faith and renewed hope.

### **From reader reviews:**

#### **Asia Haynes:**

As people who live in the modest era should be revise about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and advance. Some of you maybe will update themselves by looking at books. It is a good choice for you personally but the problems coming to a person is you don't know what one you should start with. This The Colour Of The Night is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

#### **Janice Saucier:**

Nowadays reading books are more than want or need but also become a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want send more knowledge just go with education books but if you want experience happy read one having theme for entertaining like comic or novel. Often the The Colour Of The Night is kind of publication which is giving the reader unstable experience.

#### **Paul Ring:**

People live in this new time of lifestyle always try to and must have the time or they will get large amount of stress from both day to day life and work. So , if we ask do people have time, we will say absolutely yes. People is human not really a huge robot. Then we consult again, what kind of activity are there when the spare time coming to an individual of course your answer will unlimited right. Then ever try this one, reading guides. It can be your alternative inside spending your spare time, often the book you have read is actually The Colour Of The Night.

#### **Donna Young:**

Is it a person who having spare time in that case spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This The Colour Of The Night can be the solution, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this fresh era is common not a nerd activity. So what these guides have than the others?
